

RECYCLING DRIVER ROLE

We need you to join our ground crew and help people to recycle their old computer ink cartridges, mobile phones, CDs DVDs and Clothes by promoting the collection of clothing bags and other recyclables in your area.

We need your help to reach new areas and increase the awareness about what we do encouraging your community to fill our recycling bags, you will collect their recyclables and drop them off for collection at a place that's convenient and safe for us to store.

Role location: The Role will be based out of Skirsgill Business Park, Penrith or Newton Aycliffe, Darlington but you could be helping at various locations within your local community and/or places of work.

Hours: We are looking for volunteers who will be able to meet and make regular communication with our recycling team up to once a week, depending on activity.

You should be available to support community recycling drives at agreed times within your local community throughout the year.

Role description:

- Promote and coordinate a local recycling appeal for your own locality
- Supporting a leaflet drop in your local area
- Delivering/collecting bags of recyclables to/from a required location within specific timescales
- Liaising with the Trading Company to schedule in planned collection routes
- Engaging with Supporters who have requested a collection

Essential Skills:

- Good organisational skills
- A clean driver's license
- Physically able to manage bags of clothing and other recyclable items
- You'll need to be polite and happy to communicate with the general public.
- Access to a telephone and can use a computer to send emails
- The ability to work individually and as part of a team.
- You must have been driving for at least a year

It would also be great if you have/are:

- Good knowledge of the local area
- Comfortable with Cash Handling
- Your own vehicle

Other requirements:

- Age 21 or over
