

COLLECTIONS ROLE

We need you to help to raise awareness and increase income for the Great North Air Ambulance by supporting our fundraising team in your local area servicing collection tins.

Role Location: You will be based within your own locality.

Hours: This role is flexible and can be carried out at a time that suits you, it can take from as little as three hours per month to build and maintain your collection tin network, up to half a day per week depending on the size of area you would like to cover.

Role description:

- Emptying collection tins at regular intervals throughout the year
- Approaching local businesses and groups to find new locations for Great North Air Ambulance collection tins
- Completing associated paperwork
- Getting involved with other fundraising activities when available

Essential Skills:

- Ability to organise your work and work on your own initiative
- IT skills are essential for this role for monthly reporting
- Physically able to manage heavy collection tins
- You'll need to be polite and happy to communicate with the public
- Good knowledge of local area
- Access to a vehicle or good transport links

Other requirements:

- Age 18 or over
